

Welcome to Paradise

Grand Palm uniquely creates a harmonious balance between nature and man. From the interconnected walking trails and nature paths to the sparkling 39-acre lake with its own eight-acre island oasis, the natural beauty of Grand Palm will take your breath away. Don't be surprised to see a family of ducks enjoying a leisurely afternoon stroll beside the lake, they too, call Grand Palm home. Grand Palm is more than a community; it is a way of life. Isn't it time you discovered the difference?
